The rebellion begins! Lord Voldemort has returned, but the Ministry of Magic does all it can to keep the wizarding world from knowing the truth – including appointing Dolores Umbridge as the new Defense Against the Dark Arts professor at Hogwarts. When Umbridge refuses to teach practical defensive magic, Ron and Hermione convince Harry to secretly train a select group of students for the wizarding war ahead. A terrifying showdown awaits in this enthralling film version of the fifth novel in J.K. Rowling's *Harry Potter* series.
