Here's Why You Should Consider Ruby On Rails For Your Web Development Projects!

Goodbye, Administrivia

•• freckle helps you manage your time

See plans and pricing! learn how Freckle will help you earn more!

Time tracking, *not* hair pulling

Tracking your time—for your clients, for yourself —doesn't have to be a dreaded task. Dispense with the preparation, avoidance, and gnashing of teeth. **Freckle** eliminates all the nonsense between you and your work.

Care for your most precious asset

But is just **tracking** your time enough? **Freckle** helps you see the big picture: which days have you been working? How much, and on what? Is all that time billable time? What are your teammates and employees doing?

•• **freckle** is perfect for freelancers, consultants & and small teams
